PART I – NOT CONFIDENTIAL

1 Introduction and background

- 1.1 The Police (Property) Act 1997 is a fund whereby allocations are received from the sale of recovered stolen goods or property. If the owners of the property are not traceable then the goods are sold at auction. The monies from the sales of the goods are then redistributed by way of grants or donations for charitable purposes that support and complement local policing and crime reduction priorities.
- 1.2 Approximately £350,000 is available for distribution during 2019/20, of which £75,000 has been given to the three county based High Sherriff's for them to allocate to local good causes who help the police reduce crime and disorder. The remaining £280,000 is available for allocation through two public bidding rounds.
- 1.3 Applicants had to demonstrate how their project or activity contributes to meeting the following Police & Crime Plan objectives:
 - Reducing reoffending - Targeting and managing harm and risk
 - Serious organised crime and terrorism – Improving the local response
- 1.4 The bidding process commenced on 30th May and closed at 9.00am on Thursday 20th June 2019.
- 1.5 Under the Scheme of Governance, Financial Regulations provide for the PCC and Chief Constable to jointly determine the payments to be made in accordance with the Regulations.

2 Issues for consideration

- 2.1 Applicants were asked to explain how their work will help the PCC to deliver his police and Crime Plan objectives.
- 2.2 In total 61 separate bids for funding were received requesting total funding of £0.344m, which is 2.5 times higher than the amount currently available (£140,000) for distribution in this funding round. This therefore meant that the PCC and Chief Constable could only support a relatively small proportion of the total bids that had been received.
- 2.3 As such, all bids were reviewed and considered in detail to identify those that provide the greatest benefit to the PCC and Chief Constable in helping to deliver the Police and Crime Plan objectives. Where appropriate, additional views and comments were sought from Local Police Area commanders and/or specialist departments to ensure that the local policing context was also considered.
- 2.4 The PCC and Chief Constable have agreed to support 27 separate organisations with individual grants ranging from £1,000 to £6,925.

3 Financial comments

- 3.1 The PCC and Chief Constable have agreed to support 27 separate organisations with individual grants ranging from £1,000 to £6,925, as set out in Appendix 1. In total these grants amount to £106,733

3.2 The unspent money from this funding round will be carried forward to the autumn to increase the amount available in the second public bidding round.

3.3 It will also provide a relatively small amount of money, should it be necessary, for the PCC and Chief Constable to support other worthy causes outside of the public bidding round.

4 Legal comments

4.1 Under regulation 6(4)(c) of the Police (Property) Regulations 1997 the payment must be made for "charitable purposes". By virtue of the Charities Act 2011 a charitable purposes is one that falls under section 3(1) of the Act and is for the public benefit, which means it does not necessarily have to be a registered charity.

5 Equality comments

5.1 No specific implications arising from this report.

6 Conclusion

6.1 The PCC is asked to formally approve the list of grant donations as set out in Appendix 1.
